MORE OPTIONS—MORE STYLES.

Windows: 1" Cordless, Beige 011 and Creamy Beige 670, French Doors: 1/2" Micro Supreme, Beige 011

NEW

NEW CORDLESS STYLE

This **safer blind option** is perfect for homes with children and pets and adds a touch of elegance and a clean aesthetic look to any room.

ULTIMATE IN LIGHT CONTROL

The **1" Supreme Headrail** is ideal for bedrooms where more light control is desired. The light-blocking lip and Hidden Holes™ option eliminates unwanted light leaks while improving the look.

SPECIALTY WINDOWS

Provides your clients with more **trendsetting selections** for specialty window shapes like arches, circles, and triangles.

PERFECT CHOICE FOR HIGH-HUMIDITY ROOMS

Grabber Aluminum Blinds are ideal for high humidity rooms like kitchens and bathrooms. The blinds are easy to clean, stylish, and will not warp.

Specialty Window: 1" Classic, Ash Metallic 126
Window: 2" Grandeur, Ash Metallic 126

MORE FUN—MORE FLAIR.

1" Cordless with Hidden Holes, Canary Yellow 009 and White Pearl 637

Multi-colored striped blinds

1/2" Micro Supreme, Brushed Aluminum 121

SLAT SIZES

With 1/2", 1" and 2" slats, there's a blind made for any setting in the home. Our 1/2" slats are perfect for French doors and side-light windows. The larger 1" and 2" designs provide a larger outside view or provide more privacy within the home.

DESIGNER INSPIRED COLORS

An updated palette of trend-right color choices makes Graber Aluminum Blinds the perfect window treatment for coordinating with modern and traditional décors alike.

KIDS COLORS

New colors can add character to any child's room. With a rainbow of colors, your client can select harmonious hues to match their child's personality: from sweet and sassy to rough and tumble to the ultimate sports fan.

MULTI-COLORED STRIPED BLINDS

Clients can customize their blinds, making unique striped creations from a limitless choice of colors. The colors can be mixed and matched to complement a room or redefine a room completely.
